

Chesapeake Beach Civic League
Executive Board Meeting
July 9, 2018

President TJ Morgan called the meeting to order at 7:06 pm.

Wende Wiles gave the Treasurer's report. The League received the rest of the race income due us from J&A Racing (\$13K) along with income from merchandise, membership, general sales, and food sales from the 5K and the Summer Picnic. We made all final payments for Race expenses.

Income:

Last 30 Days

\$15,301

In all categories
Percent of total: 100%

Category	Amount	Percentage
Event Income	\$13,713.00	89.62%

Total	\$5,269.85	

Coming soon: Merchandise Expenses

Bank Balances:	June	July
Business Checking	\$11,699.73	\$16,143.46
Business Market Rate Savings	\$ 5,314.28	\$11,726.96
Time Account	\$ 6,408.11	\$0 (*merged above)

Dan Hawthorn reported on traffic and safety issues. Traffic engineers require more data. He has been advised that there will be no speed tables as roads are not wide enough to install them.

Melissa Pulling suggested more signage needed to increase pedestrian safety. Dan Hawthorn will pursue signage with the City.

Jenny Williams reported on planning efforts for the August 7, 2018, National Night Out. She would like to spend a little more on advertising the event. She suggested signs can be purchased and used every year. Jenny has confirmed exhibitors for the event. She has also arranged for the ice cream truck to be present. The driver will keep the tab, and the League will reimburse him. A raffle for restaurant gift cards and issuing a press release were also suggested. The event is scheduled for 5:30 pm to 7:30 pm.

Jenny noted that the recent report regarding the assault on boys under the Bridge could not be confirmed by EMS or Police. Additionally, people are setting off illegal fireworks. Jenny will ask Officer Mike Geluso for guidance in addressing this potentially dangerous problem of illegal fireworks.

Melissa Pulling reported on being followed home late at night by someone in a truck. After much discussion by the group, Melissa recommended a Civic League sponsored Self Defense Class be made available to area residents.

Robyn Bailey shared a letter she prepared for Race sponsors, thanking them for their support.

Robyn, also, gave a report from the Bayfront Advisory Committee as follows.

Art work will be installed at Lesner Bridge July 24-25. Dedication is scheduled for July 28.

HRRT Bus #35 Schedule has been successful in attracting riders. Access to ticket sales has been limited. Riders may buy tickets for exact change on the bus, or at ticket sales at First Landing.

The Virginia Beach Conference Center was purchased by Commonwealth Lodging. Current employees will continue. There will be a \$25 million renovation to the facility.

Installation of pipes to remove water by Buoy 44 is in progress. Inspector Rommel Tomayo can provide more information and may be contacted at 385-4131.

Aluminum bike racks to accommodate 12 bikes will be installed on Fentress Avenue at Buoy 44.

She presented the Wish List to the BAC Open Forum. Crosswalks along Shore Drive (like the ones on Ocean View Avenue with flashing lights) also were mentioned. The Wish List is attached.

Robyn gave Curtis Bailey's report regarding bacterial testing of area lakes. Lakes are high and healthy. Questions were raised regarding vegetation. The City is currently conducting studies.

Joe Rutecki asked that a thank you letter be sent to Bruce Johnson and the Houck family for the Flag display. The letter should appear in the Newsletter as well.

Robyn Bailey noted the 300th anniversary of the death of Blackbeard the Pirate and the occasion for a "Pirates Day".

Melissa Griffith requested a letter from TJ Morgan for the Newsletter, which will be published by the end of July. It was suggested that Melissa include numbers for gross earnings for the Race and the donations made. It was suggested that a link to Ocean Park funding for the fireworks be established at our website for those residents wishing to contribute.

The group discussed the potential for a Community Day to provide an opportunity to hear residents' questions, concerns, and suggestions.

Becky Bump reported on recent sales of merchandise at Junior Market. She has picked up checks in recent weeks for \$775.00 and \$106.00. Amy Bouchard suggested that the volunteer shirts be made available for sale to the public, as they have been quite popular.

The meeting was adjourned at 8:00 pm.

**To the Bayfront Advisory Committee
Chesapeake Beach Civic League Wish List**

Signage

Neighborhood Signage for Chic's Beach along Shore Drive
Need for more "No Parking" signs.
Need a "Dead End" sign on Ocean View near Buoy 44 illuminated.

Sidewalks

Sidewalks on both sides of Pleasure House Rd from Shore Drive.
Re grade Lookout Rd and put sidewalks on either side.

Crosswalks

Pedestrian crosswalks on Pleasure House Rd with "Right of Way" signs.
Repaint crosswalks on Lookout Rd and put up pedestrian crossing signs.

Make all of Chic's Beach a Golf Cart Community

Bike/Golf Cart lane along Greenwell Road to the beach
Golf cart access across Lookout Rd between Greenwell and Pleasure House Rd.

Parking

Address parking on residential roads. Please don't expand parking for more vehicles. There is plenty of parking at the Chic's Beach Shopping Center and they can Uber to the beach. Roads are narrow and not safe for parking on both sides of the street. Lee Avenue in particular, is too narrow for parking currently allowed on both sides, for emergency vehicles to access. Handicap Parking space needed near Buoy 44 on Seaview Ave.
How did the North End get restricted parking on their streets?

Speeding

Excessive speeding issues on Lookout Rd, Pleasure House Rd & Greenwell Rd.

Public Facilities

Public restrooms at the beach.

Future Development

Limit development in areas that are environmentally sensitive.

Rentals

If the city decides to zone short term rentals to just the 5 areas, in the latest proposal, please ensure the current registered rentals are grandfathered in to ensure their businesses are not shut down.

Shore Drive

Complete sidewalks on either side of Shore Drive.
Repair potholes on Shore Drive.
Widen Shore Drive to 6 lanes.
